

CERTIFICATE

Discovery Club volunteer

We certify that

Willeke Mulder

has participated as a volunteer for Discovery Club,
a Universe Awareness National Programme of **the Netherlands**
for children who live in refugee centres, in the period
of July to September **2018**.

Discovery Club volunteers support the implementation of Universe Awareness' vision: to inspire children with our wonderful cosmos, particularly those from underprivileged backgrounds, to have an interest in science and technology and foster their sense of global citizenship.
